

20th Biennial Congress: Cambridge, UK, Thurs 8th - Sat 10th September

Outline Programme – Final Online Version

Any further late changes to this programme will be communicated to delegates at the Congress

We are pleased to welcome over 320 delegates from across the world to the 20th Congress of the European Psychiatric Association Section of Epidemiology & Social Psychiatry.

The Outline Programme for our 2.5-day Congress can be found overleaf. Each session is organised by Session ID. If you are a presenter, the first part of your Presentation ID corresponds to the Session ID.

For the final version of our Full Scientific Programme and Abstract Book, visit www.psychepi.org/congress/programme or download our Eventflo Congress app from the Google Play or Apple App stores. You can also download a PDF copy of the full abstract book from the link above or QR code below.
